Subject: Smart Match to Rachel Shear

Message:

Nicole,
Very happy to get a Smart Match to Rachel Shear. My connection to her is through her daughter Amy. (1803-92) who married Smith Fancher on Mom's side of my tree on Oct 12, 1828 in Coeyman's Corner and they had two daughters. I had no info on Rachel's other children and only had her husband's name "George". Would like to become a Member of your tree and would be happy to make you a Member of mine.
Richard Wright
